## Lasik discounts

Humana Vision includes discounts on Lasik or PRK from U.S. Laser Network:

- 15 percent off standard prices
- 5 percent off promotional prices

You can take advantage of these discounts when procedures are done by network providers. U.S. Laser Network has more than 500 locations nationwide and you can choose any in-network provider.

## Easy access to service

During your comprehensive eye health examination, your doctor can determine if you're a candidate for Lasik. Then, your Lasik provider will conduct an eye examination and make the final decision. Good candidates should:

- Be nearsighted, farsighted or have astigmatism
- Be 18 years or older
- Be in good general health
- Not be pregnant or have nursed in the past six months
- Have a stable vision prescription for at least a year

Your Humana Vision ID card verifies your eligibility for Lasik discounts.

You can find a list of providers online at **Humana.com** or by calling the number on your Humana member ID card.

The Lasik program is a discount only for Humana Vision members and is not a covered benefit.
